

## Clearing Cookies and Cache in Chrome

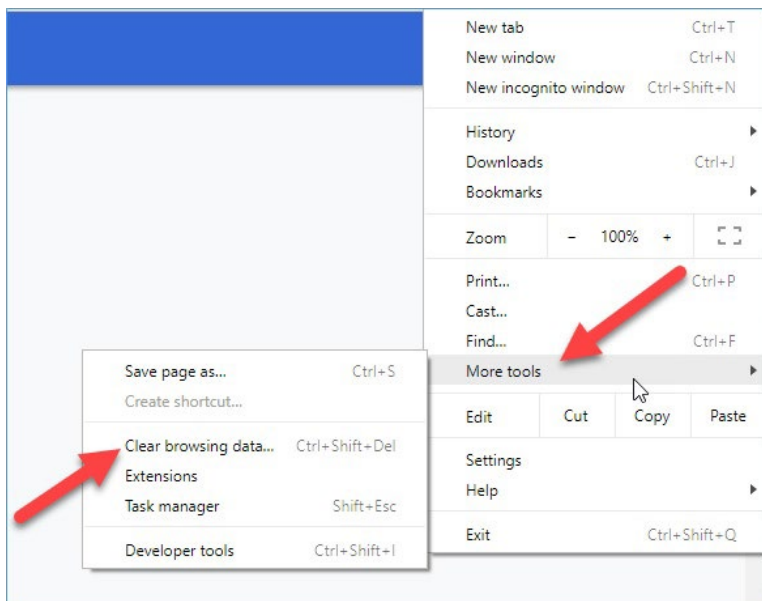

From within your Chrome browser click on the three dots in the upper right of the screen:

*(Image of red arrow pointing to three dots)*

Select "More tools" and then "Clear browsing data:"

*(Image of red arrows pointing to More Tools and Clear browsing data...)*

You can uncheck browsing history - if you want to keep

Make sure "Time range" is set to "All time" and that the boxes for "Browsing history," "Cookies and other site data," and "Cached images and files" are all checked and then click on "Clear data:"

*(Image of red arrow pointing to a blue Clear data button)*

## Clear browsing data

Basic

Advanced

Time range All time

- Browsing history  
Clears history and autocompletions in the address bar.
- Cookies and other site data  
Signs you out of most sites.
- Cached images and files  
Frees up 16.4 MB. Some sites may load more slowly on your next visit.
